

Greencomp4hosts

Integration of Greencomp into VET tourism curricula to empower tourism SMEs on their transition pathway towards digital and sustainable tourism.

Welcome to the 1st Newsletter of the project Greencomp4hosts! We are thrilled to share our latest news & updates, highlighting our progress and initiatives aimed at promoting sustainable tourism through digital innovation

GreenComp Framework: The Game-Changer for Sustainable Tourism

Discover the newly published article by our partner, Inova+, on GreenComp, the essential framework for the Greencomp4hosts project. This piece highlights the framework's importance and its theoretical support for the initiative.
